

Falcon-91 Crew Dragon Demo 2 Launch (5/27/20)

Outbound Traffic Flow Overview

Post-Launch Traffic Plan

- Primary Northbound/Southbound Route
- - - Alternate Northbound/Southbound Routes
- Primary Eastbound Route
- Primary Westbound Route
- - - Alternate Westbound Routes

Post launch, traffic along the roadways designated by solid lines will be pushed in the indicated direction.

SR 528: Eastbound motorists on SR 528 will proceed eastbound to A1A south. Use SR 520 westbound as alternate to SR 528. Westbound motorists on SR 528 will continue west on SR 528.

US1/Washington St (Titusville): All motorists north of Harrison St will proceed northbound on US-1. All vehicles south of Harrison, proceed southbound on US-1.

A1A (Cocoa Beach): NO LEFT TURN from northbound A1A to SR 520 westbound. Motorists on A1A will proceed northbound to SR 528 or u-turn at George King. Southbound should proceed to SR 404 (Pineda Causeway) to US 1 or I-95.
